It's time for companies to act, not react

Taken from the [1]Mckinsey & Company articles compendium

Think of the return as a muscle
The return to activities is a new way of operating, NOT JUST A PLAN

Make purpose part of everything
Focus on igniting individual purpose in times OF CRISIS

Focus on high-impact actions
Rapid migration to digital technologies WILL CONTINUE

Think about regulation and government
Learning from history can help businesses better manage CHALLENGING TIMES

Rebuild for speed
Agile teams make it possible for the system TO MOVE FASTER

Rethink your global footprint
Supply-chain recovery - plan for now and the future

Create transparency in multi-tier supply chains

Estimate available inventory along the value chain

Communicate directly with consumers

Identify and secure logistics capacity

Optimize production and distribution capacity

Manage cash and net working capital

Actions taken now build resilience against FUTURE SHOCKS

Take the lead on climate and sustainability
Analyze if supply chains could be affected by CLIMATE CHANGE

Reimagine the workforce from the top down
Create a new and more ADAPTABLE WORKPLACE post-pandemic

Reset technology plans
Focus on building vital skills for the future of work IN OPERATIONS

Make bold portfolio moves
Create a blueprint for SUCCESSFUL mergers and acquisitions

The next normal
RESET

[1]The fifth stage: Reset -What now? Decisive actions to emerge stronger in the next normal.
