

# 2022 SHELTER PROGRAM

## Objective:

To provide our clients with access to our network of business contacts we have built over more than 40 years to create synergy, facilitate a smooth establishment process, and ensure their success in Mexico.

## SERVICES

Access to our established relationships with:

- Private sector entities, including associations, clusters, banks, etc.
- Government agencies, including federal, state, and municipal authorities
- Educational institutions

## WHAT YOU GET

- Seamless establishment of operations
- Ongoing business support

*American Industries has established itself as an opinion leader with an impeccable reputation and has an extensive network of contacts in the private sector and with government and educational institutions with whom we have close relationships.*
